

Clarkston Chamber of Commerce

FEATURED SPEAKER: Emily Osmialowski, Executive Director of the Clarkston Chamber of Commerce

Emily is Executive Director of the Clarkston Area Chamber of Commerce, but at her core, she is a relationship-builder, a problem-solver, and someone who truly cares about the people behind our local businesses. She is passionate about creating spaces where connection happens naturally, ideas are supported, and our community feels proud of what we're building together.

Her work is rooted in listening, collaboration, and showing up consistently - whether that means advocating for our business community, building meaningful partnerships, or creating events and programs that bring people together in a real way. She believes strong communities are built one relationship at a time, and she is grateful to play a role in helping Clarkston grow, evolve, and thrive.
